PROVIDER HOT SHEET

- ⇒ **Request for Proposal: Psychosocial Rehabilitation (PSR)**- Mecklenburg County Area Mental Health, Developmental Disabilities and Substance Abuse Services (AMH) is requesting proposals from qualified, experienced and endorsed providers of Psychosocial Rehabilitation services.

This Request for Proposals (RFP) is part of the LME's contract "re-bidding" process which means that any agency currently receiving state IPRS funds through a contract with the LME for Psychosocial Rehabilitation services must submit an RFP and be evaluated through this process in order to be considered for continuation and future funding for this service.

Over the past two fiscal years the utilization rate of individuals receiving State funded IPRS Psychosocial Rehabilitation services during a twelve month period has been an average of 45 individuals. The total paid claims reimbursement amount for the provision of Psychosocial Rehabilitation services for this number of individuals over a twelve month period has been in the range of \$110,000 - \$130,000.

AMH is seeking to select and develop IPRS state funded contracts with up to two (2) providers of Psychosocial Rehabilitation services for the period of July 1, 2012 through June 30, 2013. The initial contract award for each provider may be in the range of \$55,000 - \$65,000 based on the availability of State funds allocated to AMH for FY'13. This will be a fee for service contract, therefore utilization will be monitored on a quarterly basis and funds may be reallocated based on consumer choice, clinical quality of care concerns, utilization trends and paid claims data.

Mr. Piggott's presentation will include issues around Provider Fraud and Abuse, the False Claims Act, New Federal Rules: Credible Allegations of Fraud and Suspension of Medicaid Payments, and Provider Screening and Enrollment under a Medicaid waiver environment. This will be an interactive session; providers will have an opportunity to ask Mr. Piggott questions during the presentation.

This particular InfoShare is targeting agency Chief Executive Officers and Chief Operations Officers as the audience for Mr. Piggott's presentation. The LME strongly encourages each agency to send the appropriate agency representative to this session.
