

Transportation Staff Meeting

May 13, 2015
2:00 PM
CMGC 601

AGENDA

1. I-40 Feasibility Study (Cook)

Purpose: Develop comments to present to the Feasibility Studies Unit.

Background: NCDOT's Feasibility Studies Unit has begun a study to determine the feasibility of widening I-40 to six lanes from US 321 in Hickory to I-77 in Statesville. Comments are due by May 15.

Attachment: Feasibility Studies Unit letter.

2. 2016-2025 DRAFT TIP Workshop (Burke)

Purpose: Discuss the format of a TIP workshop to be held prior to the June 18 MPO meeting, where the MPO will take action to begin a public involvement process on the 2016-2025 DRAFT TIP.

Background:

- During the April 15 meeting, MPO members expressed support for a workshop to be held in June to begin the public involvement process on the DRAFT TIP.
- Staff suggests a similar format to the I-485 Workshop, where a workshop will be held in an adjacent room prior to the MPO meeting on June 17, and various stations will be setup to allow MPO members to get their questions answered prior to the beginning of the MPO meeting.
- Possible station topics: STI Projects, STP-DA + Bonus Allocation Projects, Transit Projects, MTP Amendments, Air Quality Conformity

Phone Access Number: 704-432-5485

Charlotte, NC 28202-2853

Dear Mr. Cook,

Our unit is currently working on a feasibility study in the Charlotte Regional Transportation Planning Organization area for the project described below. We would appreciate any comments, questions, or other input you or your staff might like to have in this process. A project location map is attached for your use.

<u>Project</u>	<u>Description</u>
FS-1512A	I-40 Widen to 6 Lanes from US 321 Interchange in Hickory to I-77 Interchange in Statesville

In order to maintain our schedule on this project, we are requesting you provide your input by May 15, 2015. If you have questions or require any additional information do not hesitate to contact me at either (919) 707-4664 or via e-mail at stankersley@ncdot.gov. Your participation in this process is greatly appreciated.

Sincerely,

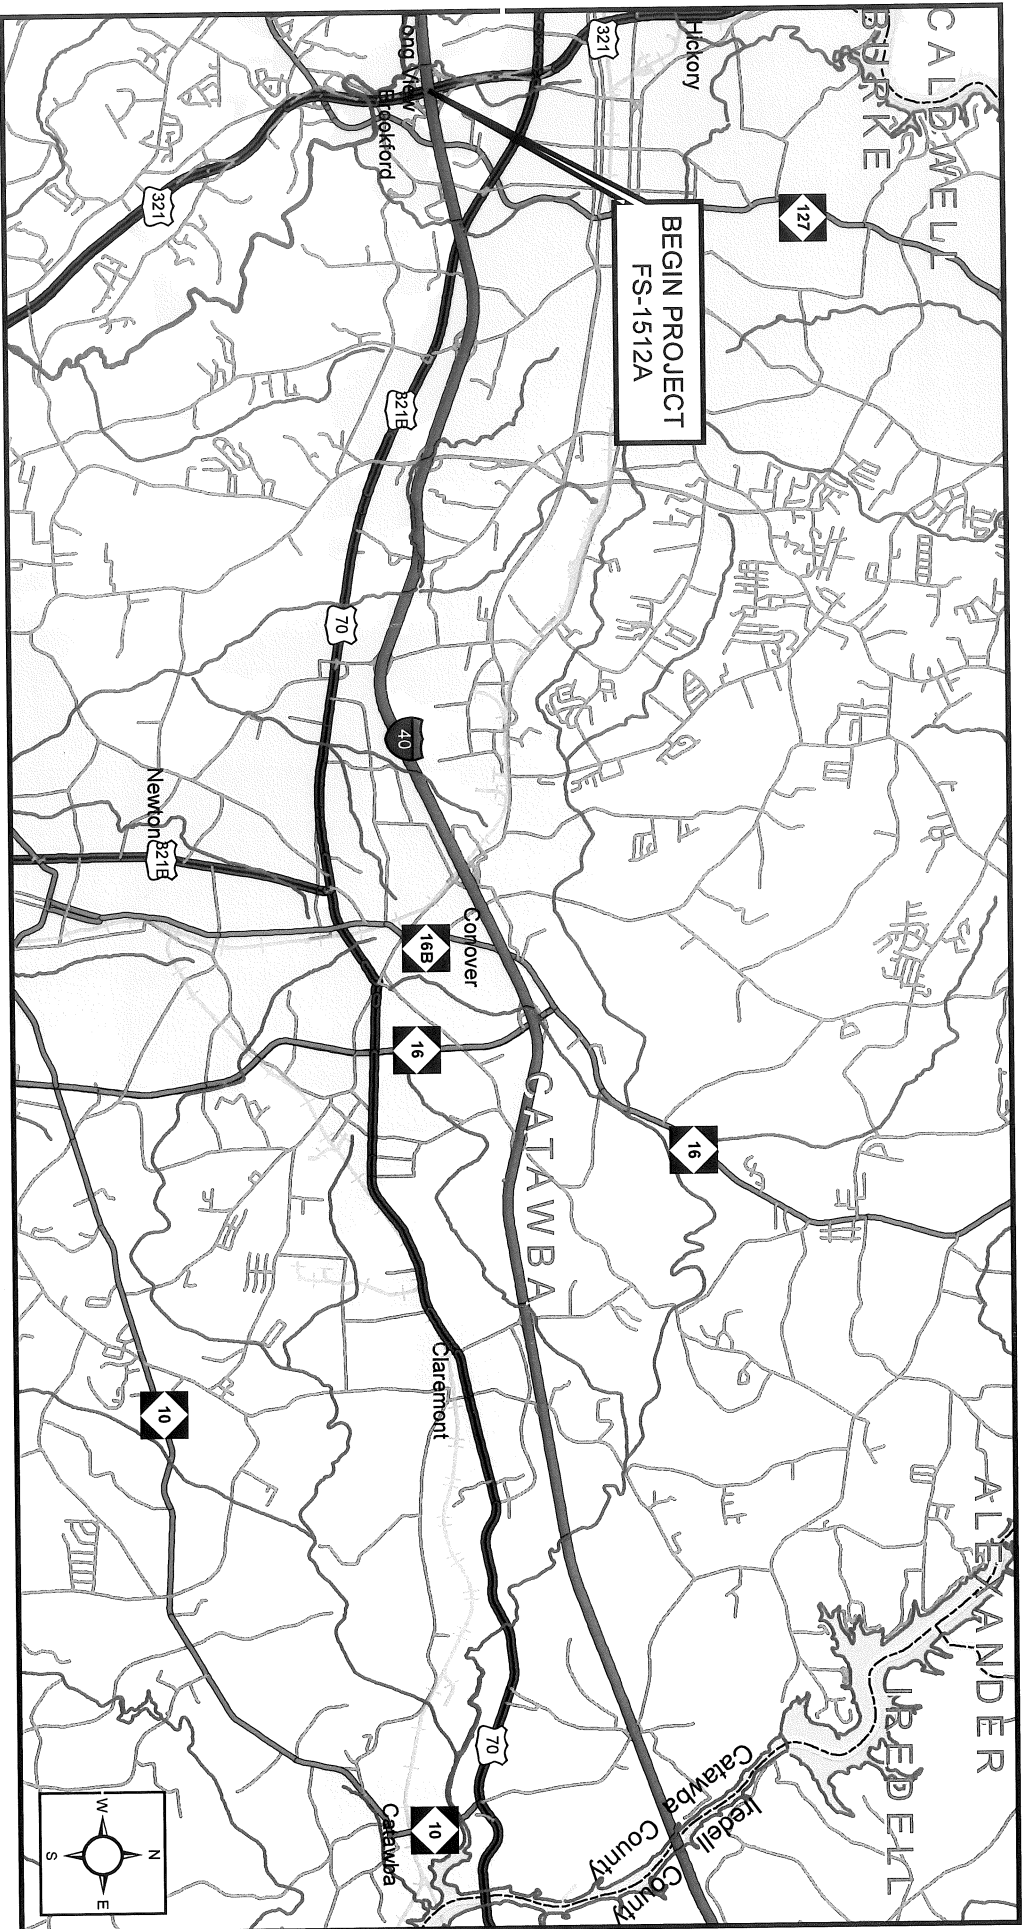

Sonya A. Tankersley, PE
