The real estate acquisition phase continues. Gulf Coast, a right-of-way services company, was hired by the City of Charlotte to conduct the real estate activities. If your property is impacted by the project, a representative will contact you. This phase will extend through August 2011.

This project will include the construction of curb and gutter and storm drainage along Delta Lake Drive and portions of Demill Lane, Lisa Circle and Michael Drive and sidewalk along Delta Lake Drive.

City staff will continue to keep you informed on this project by sending you a postcard or newsletter every four to six months.
