## NEIGHBORHOOD update

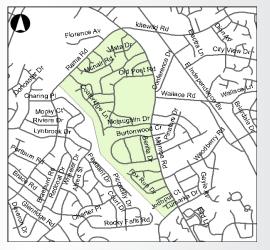

## East Forest Neighborhood, Phase 2

December 2011

Phase 2 of the East Forest Neighborhood Improvement Project is still in design.

The project team is modifying the current design to reduce impacts to the neighborhood. A new schedule will be determined and communicated in the next mailer.

The proposed storm drainage improvements will address flooding around the Old Post Road/ Mclaughlin Drive area and the Coatbridge Lane/ Mclaughlin Drive intersection. The proposed sidewalks along Bainbridge Road, Melba Drive, Forest Way Drive and portions of Vista Drive, Knickerbocker Drive and Old Post Road will be constructed with the storm drainage improvements.
