## Enderly Park Neighborhood Improvements

### December 2011 Project Update

**For more information  
on this project,  
please contact Kristie Kennedy,  
Engineering & Property  
Management Project Manager  
704-336-6194  
kkennedy@charlottenc.gov**

The Enderly Park Neighborhood Improvement Project will include improvements such as curb and gutter, storm drainage, sidewalk and waterline upgrades. The real estate acquisition phase continues. Telics, a right-of-way services company, was hired by the City of Charlotte to conduct the real estate activities. If your property is impacted by the project, a representative will contact you.

CDOT does not have speed hump requests for Effingham Road, Parkway Avenue and Ringwood Street. If you would like to submit a request, please visit [www.charmeck.org](http://www.charmeck.org). Click on departments, Transportation, CDOT requests and traffic calming requests. This will help CDOT determine if these roads qualify for speed humps.

To view additional information regarding this project, visit the project website located at ***epm.charmeck.org***, click on ***Neighborhood Projects*** and ***Enderly Park Neighborhood***.
