Review Time Clarification

Commercial and Urban reviews are 15 business days each time the plans are submitted. On the initial submittal, the 15 day cycle begins after the Gateway Review is complete. Please plan accordingly.

Staff Updates

Senior Engineer Brian Robinson has accepted a Senior Project Manager position with Engineering and Property Management's Storm Water Services Division. We will miss Brian in Land Development, but we wish him well in his new position.

The City of Charlotte will be closed on Monday, September 3rd in observance of Labor Day. Have a safe and happy holiday!

As we advised in our Special Announcement last week, Land Development will be open during the DNC (September 4th - 6th). The Charlotte Mecklenburg Government Center (CMGC) Parking Deck will be closed, and public access in the CMGC will be limited. Please keep in mind that traffic congestion and parking restrictions may make public access to the building difficult.

If you have any questions, please do not hesitate to contact Land Development Customer Service at 704-336-6692.
