None

#### Committee Reports

##### A. Preservation & Safety

1. Hydrilla - Bob Elliott reported that Duke Power will have the lake survey regarding the acres of Hydrilla by late Nov. or early December. As soon as this is available a meeting of the Hydrilla Committee will be called to discuss the action to be taken in 2005 in line with the Hydrilla Management Plan.

##### B. Maintenance Committee

1. NavAid Status Report - Gus Gustafson reported the following aids to navigation are in need of repair, non-functioning, missing or not in their proper locations: 3 main channel markers, 2 shoal markers, and 3 bridge buoys.

#### Applications

A. FERC Application for The Estates on Lake Davidson (Burke Builders) and the Application for Davidson Pointe Environmental Design)  
These Applications were discussed and Approved on a Motion by Commissioner Lancaster and second by Commissioner Davis. The Motion was passed.

##### B. Wildwood Cove Owners Association No Wake Buoy Application

Commissioner Lancaster reported that he had reviewed the site and that at this time could not recommend that the LNMC should proceed with the application process. He made a motion to deny the request. Commissioner Davis seconded the motion. The motion was passed.

#### Administrative Matters

Commissioner Kiser made a motion to cancel the December meeting. Commissioner Lancaster seconded the motion. The motion was passed.

Commissioner Kiser made a motion to adjourn. Commissioner Lancaster seconded.  
The meeting was adjourned.

Respectfully submitted,

Beth Wallace
