

Transportation Staff Meeting

October 23, 2013

2:00 PM

Uptown Conference Room, 8th floor, CMGC

AGENDA

1. **Functional Classification System-Map Review** (Panicker)

Description:

The first draft of changes to the Functional Classification maps is now complete. The TCC will be asked to make a recommendation to the MPO on the changes at its November 7 meeting.

Two key points about Functional Classification and why it is important:

- Functional classification carries with it expectations about roadway design, including its speed, capacity and relationship to existing and future land use development.
- Federal legislation continues to use functional classification in determining eligibility for funding under the Federal-aid program.
