December 4, 2013
2:00 PM
CMGC-601

AGENDA

1. Mt. Holly North Loop (Hank Graham, GCLMPO)

Description:

This agenda item's purpose is to discuss the status of the proposed Mt. Holly North Loop on the Thoroughfare Plan/proposed CTP.

The Mt. Holly North Loop is a proposed extension of Mt. Holly Road in northwest Charlotte that includes a new crossing of the Catawba River into Gaston County. It is on CRTPO's Thoroughfare Plan and is proposed to be a part of the CTP. After crossing the river, it becomes a part of what is known as the Belmont-Mt. Holly Loop on the Gaston-Cleveland-Lincoln MPO's (GCLMPO) CTP.

The GCLMPO has taken steps to remove from its CTP the portion of the Belmont-Mt. Holly Loop from NC 273 in Mt. Holly to the Catawba River. If it does so, there is no utility to the Mt. Holly North Loop in Charlotte.

2. Garden Parkway (Hank Graham, GCLMPO)

Description:

CRTPO's fiscally constrained roadway project list includes the Garden Parkway in the MTP's 2040 horizon year. The GCLMPO plans to place the project in its MTP's 2025 horizon year.

3. December TCC Agenda Preview (Landa)

Description: The December TCC meeting is scheduled for Thursday, December 5. Agenda items will be reviewed and discussed.
