Executive Summary

Mecklenburg County 2013 Parks and Recreation Needs Assessment Survey Executive Summary Report

Overview of the Methodology

Leisure Vision conducted a Parks and Recreation Needs Assessment Survey on behalf of Mecklenburg County in the summer of 2013. The purpose of the survey was to gather citizen feedback to assist Mecklenburg County in updating the parks and recreation community master plan. The survey was designed to obtain statistically valid results from households throughout Mecklenburg County. The survey was administered by a combination of mail, phone, and online.

Leisure Vision worked extensively with Mecklenburg County officials, as well as members of PROS Consulting project team, in the development of the survey questionnaire. This work allowed the survey to be tailored to issues of strategic importance to effectively plan the future system.

A seven-page survey was mailed to a random sample of 3,000 households throughout the Mecklenburg County. Approximately three days after the surveys were mailed each household that received a survey also received an automated voice message encouraging them to complete the survey. In addition, about two weeks after the surveys were mailed Leisure Vision began contacting households by phone. Those who indicated they had not returned the survey were given the option of completing it by phone.

The goal was to obtain a total of at least 600 completed surveys. This goal was accomplished, with a total of 624 surveys having been completed. The level of confidence is 95% with a margin of error of +/-3.9%.

The following pages summarize major survey findings.

Major Survey Findings

- **Visiting Mecklenburg County Parks.** Seventy-four percent (74%) of households have visited Mecklenburg County parks during the past year. The parks that households visit most often are: 1) Blythe Landing Park, 2) Freedom Park, and 3) Reedy Creek.
- **Rating Mecklenburg County Parks.** Of the 74% households that have visited Mecklenburg County parks during the past year, 33% rated the parks they've visited as "excellent", and 55% rated them as "good". An additional 11% of households rated the parks as "fair", and only 1% rated them as "poor".
- **Participation in Mecklenburg County Recreation Programs.** Twenty-one percent (21%) of households have participated in recreation programs offered by the Mecklenburg County Parks and Recreation Department during the past 12 months. The most frequently mentioned reasons that households have participated in the programs are: "enjoyment of the outdoors", "close to our home/residence", "improve physical fitness and health", and "facilities are well maintained".
- **Quality of Mecklenburg County Recreation Programs.** Of the 21% of households that have participated in Mecklenburg County recreation programs during the past 12 months, 36% rated the quality of the programs as "excellent", and 57% rated them as "good". An additional 4% of households rated the programs as "fair", and only 3% rated them as "poor".
- **Sufficient Parks and Green Space Areas with Walking Distance of Their Home.** Forty-one percent (41%) of households feel there are sufficient parks and green space areas within walking distance of their home, 53% feel there are not sufficient parks and green space areas within walking distance of their home, and 7% indicated "not sure".
- **Parks and Recreation Facilities Households Have a Need For.** The parks and recreation facilities that the highest percentage of households have a need for are: paved walking and biking trails (73%), park shelters and picnic areas (63%), nature trails (62%), indoor fitness and exercise facilities (52%), playground equipment and play areas (46%), indoor swimming pools/leisure pool (44%), indoor running/walking track (44%), and nature center (44%).

Mecklenburg County 2013 Parks and Recreation Needs Assessment Survey

- **Parks and Recreation Facilities That Are Most Important to Households.** Based on the sum of their top four choices, the parks and recreation facilities that are most important to households are: paved walking and biking trails (45%), nature trails (27%), indoor fitness and exercise facilities (21%), park shelters and picnic areas (18%), and indoor swimming pools/leisure pool (17%).
- **Recreation Programs Households Have a Need For.** The recreation programs that the highest percentage of households have a need for are: adult fitness and wellness programs (50%), special events/festivals (46%), water fitness programs (39%), education/life skills programs (35%), outdoor adventure programs (34%), and nature education programs (34%).
- **Recreation Programs That Are Most Important to Households.** Based on the sum of their top four choices, the recreation programs that are most important to households are: adult fitness and wellness programs (28%), special events/festivals (21%), outdoor adventure programs (17%), and education/life skills programs (14%).
- **Recreation Programs That Households Participate in Most Often at Mecklenburg County Parks and Recreation Facilities.** Based on the sum of their top four choices, the recreation programs that households participate in most often at Mecklenburg County parks and recreation facilities are: special events/festivals (12%), adult fitness and wellness programs (11%), and outdoor adventure programs (5%).
- **Ways Households Learn About Mecklenburg County Parks and Recreation Department Programs and Activities.** The most frequently mentioned ways that households learn about Mecklenburg County Department programs and activities are: from friends and neighbors (48%), website (40%), newspaper articles (38%), and flyers/posters at parks and recreation facilities (22%).
- **Organizations Used for Indoor and Outdoor Recreation and Sports Activities.** The most frequently mentioned organizations that households have used for indoor and outdoor recreation and sports activities during the past 12 months are: Mecklenburg County parks (48%), YMCA (35%), churches (31%), and North Carolina state parks (26%).
- **Most Important Benefits of Parks, Nature Preserves, and Greenways.** Based on the sum of their top three choices, the benefits of parks, nature preserves, and greenways that are most important to households are: improve physical health and fitness (64%), improve the quality of life in Mecklenburg County (39%), help reduce

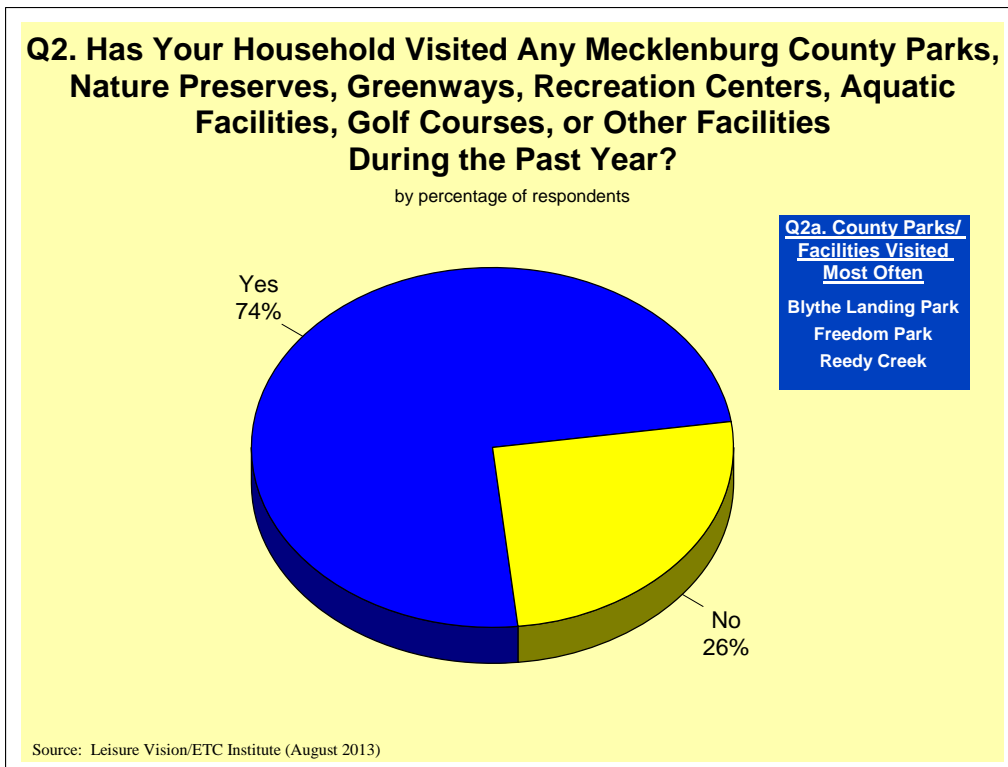

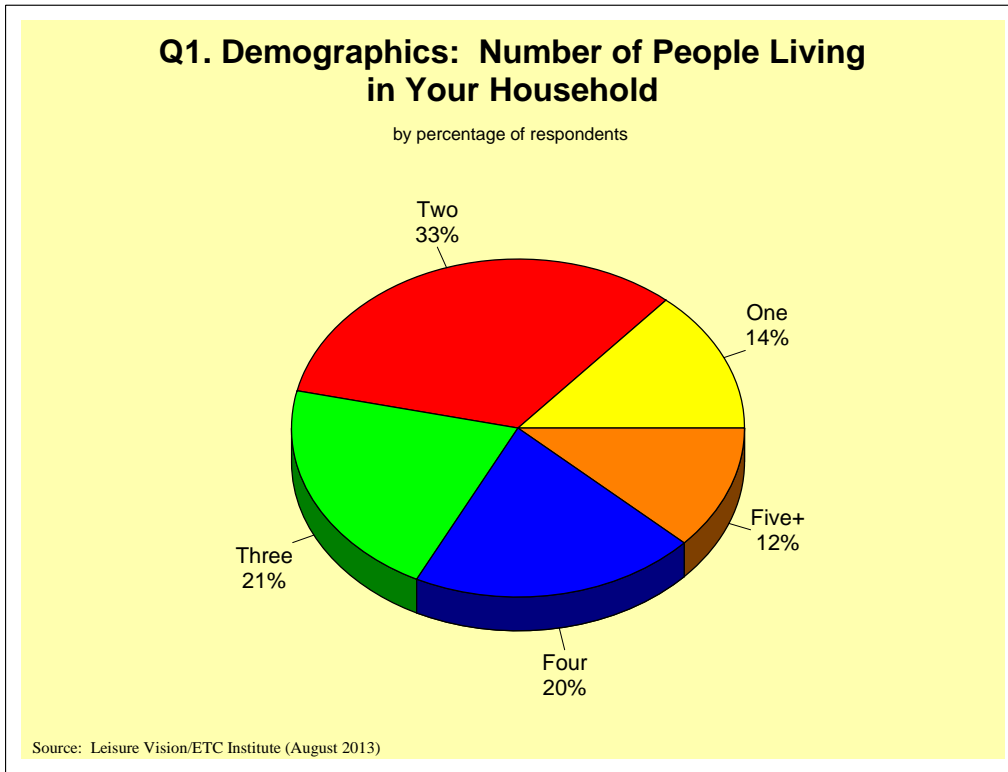

crime (27%), and preserve open space and the environment (27%).

- **Actions Most Willing to Fund with Tax Dollars.** Based on the sum of their top four choices, the actions Mecklenburg County could take to improve the and parks and recreation system that households would be most willing to fund with County tax dollars are: use greenways in floodplains and develop trails/facilities (32%), develop new and connect existing walking and biking trails (31%), purchase land to preserve open space and green space (28%), and fix-up/repair older park buildings/recreation facilities and centers (26%).

- **Level of Support for All Mecklenburg County Parklands Being Tobacco Free.** Seventy-two percent (72%) of households are “very supportive” of all Mecklenburg County parklands being tobacco free. In addition, 10% of households are “somewhat supportive” of all Mecklenburg County parklands being tobacco free, 9% are “not supportive”, and the remaining 9% indicated “not sure”.

- **Level of Support for Paying Additional Taxes for Parks and Recreation Improvements.** Sixty-one percent (61%) of households are “very supportive” or “somewhat supportive” of paying additional taxes for the types of improvements to parks, greenways, nature preserves, recreation programs and special events that are most important to their household. In addition, 23% of households are “not supportive” of paying additional taxes, and the remaining 16% indicated “not sure”.

Section 3:
Benchmarking

National Benchmarking

Since 1998, Leisure Vision (a division of ETC Institute) has conducted household surveys for needs assessments, feasibility studies, customer satisfaction, fees and charges comparisons, and other parks and recreation issues in more than 700 communities in over 45 states across the country.

The results of these surveys has provided an unparalleled data base of information to compare responses from household residents in client communities to “National Averages” and therefore provide a unique tool to “assist organizations in better decision making.”

Communities within the data base include a full-range of municipal and county governments from 20,000 in population through over 1 million in population. They include communities in warm weather climates and cold weather climates, mature communities and some of the fastest growing cities and counties in the country.

“National Averages” have been developed for numerous strategically important parks and recreation planning and management issues including: customer satisfaction and usage of parks and programs; methods for receiving marketing information; reasons that prevent members of households from using parks and recreation facilities more often; priority recreation programs, parks, facilities and trails to improve or develop; priority programming spaces to have in planned community centers and aquatic facilities; potential attendance for planned indoor community centers and outdoor aquatic centers; etc.

To keep the benchmarking data base current with changing trends, Leisure Vision’s benchmarking data base is updated on an annual basis and we only use citizen survey results going back a maximum of five years in our current benchmarking averages.

Results from household responses for the 2013 Mecklenburg County survey were compared to National Benchmarks, as well as the results from the 2007 Mecklenburg County survey to gain further strategic information. A summary of all tabular comparisons are shown on pages 2-8.

Note: The benchmarking data contained in this report is protected intellectual property. Any reproduction of the benchmarking information in this report by persons or organizations not directly affiliated with the Mecklenburg County is not authorized without written consent from Leisure Vision/ETC Institute.

Section 11:
Survey Instrument

MECKLENBURG COUNTY

Park and Recreation Department

A Few Minutes of Your Time Will Help Make Mecklenburg County a
Better Place to Live, Work and Recreate!

Dear Mecklenburg County Resident:

Your response to the enclosed survey is extremely important...

Mecklenburg County is updating the Park and Recreation community master plan. A cornerstone of the planning effort is citizen input, including the enclosed survey. Your household was one of a limited number selected at random to receive this survey, therefore, it is very important that you participate.

We appreciate your time...

We realize that this survey will take approximately 10 minutes to complete, but each question is important. The time you invest in completing this survey will aid Mecklenburg County in taking a resident-driven approach to making decisions that will enrich the future of our community and positively affect the lives of its residents.

Please complete and return your survey within the next two weeks...

We have selected ETC Institute, an independent consulting company, as our partner to administer this survey. They will compile the data received and present the results to the County. **Your responses will remain confidential.** Please return your completed survey in the enclosed postage-paid envelope addressed to ETC Institute, 725 W. Frontier Circle, Olathe, KS 66061.

If you have any questions, please feel free to contact Michael Kirschman with Mecklenburg County at Michael.Kirschman@MecklenburgCountyNC.gov. The survey is a tool that will benefit all residents. Please take this opportunity to let your voice be heard.

Sincerely,

James R. Garges, CPRP
Director

Community Interest and Opinion Survey: *Let your voice be heard today!*

The Mecklenburg County Park and Recreation Department would like your input to help determine green space, park and recreation priorities for our county. This survey will take 10-15 minutes to complete. When you are finished, please return your survey in the enclosed postage-paid, return-reply envelope. We greatly appreciate your time.

- 1. Counting yourself, how many people live in your household? _____**
- 2. Have you or members of your household visited any of the Mecklenburg County parks, nature preserves, greenways, recreation centers, aquatic facilities, golf courses, or other facilities during the past year?**
____(1) Yes [Please answer Questions #2a & #2b.]
____(2) No [Please go to Question #3.]
- 2a. Which three parks or facilities do you visit most often?**
Most Often: _____ 2nd Most Often: _____ 3rd Most Often: _____
- 2b. Overall, how would you rate the physical condition of ALL Mecklenburg County parks you have visited?**
____(1) Excellent
____(2) Good
____(3) Fair
____(4) Poor
- 3. Have you or other members of your household participated in any recreation, athletic or nature programs offered by the Mecklenburg County Park and Recreation Department during the past 12 months?**
____(1) Yes [Please answer Question #3a.]
____(2) No [Please go to Question #5.]
- 3a. How would you rate the overall quality of programs that you and members of your household have participated in?**
____(1) Excellent
____(2) Good
____(3) Fair
____(4) Poor
- 4. Please CHECK ALL the reasons that you and members of your household USE parks, recreation facilities or programs offered by the Mecklenburg County Park and Recreation Department.**
____(01) Program or facility offered
____(02) Safety of parks and facilities
____(03) Quality of instructors
____(04) Facilities have the right amenities
____(05) Quality of programs
____(06) Facilities are well maintained
____(07) Close to our home/residence
____(08) Enjoyment of the outdoors
____(09) Programs are interesting
____(10) Fees are affordable
____(11) Good customer service by staff
____(12) Facility operating hours are convenient
____(13) Registration for programs is easy
____(14) Availability of parking
____(15) Improved physical fitness and health
____(16) Other: _____
____(17) None, do not use parks, recreation facilities or programs
- 5. Do you feel that there are sufficient parks and green space areas within walking distance of your residence? [Please check ONE.]**
____(1) Yes
____(2) No
____(3) Not sure

6. Please indicate if YOU or any member of your HOUSEHOLD has a need for each of the recreation facilities listed below by circling the YES or NO next to the recreation facility.

If YES, please rate ALL the following recreation of this type in Mecklenburg County on a scale of 5 to 1, where 5 means “100% Meets Needs” and 1 means “Does Not Meet Needs” of your household.
