# Core Library Services 

## Description, Delivery, and Costs

Presented by:
David Singleton, Frank Blair, Sean Hogue

Charlotte Mecklenburg Library

## Where we are in process

## Phase 2: Education

Two weeks ago: Breadth and Scope of Library Services

Today: Base Service Model, what most staff do most of the time

## Presentation Overview

1. What are the library's basic services?
2. How does the library deliver basic services?
3. What are the costs associated with delivering basic services?

## Base Service Model

David Singleton

## SERVICE DESCRIPTION

## Basic Library Services

- Checkout of Materials: supporting the use of materials and information outside of the library
- Reader's Advisory: assisting people in finding books to read
- Information Assistance: assisting people who need help finding information
- Computer Assistance: assisting people with using computers and the Internet

## Checkout of Materials

- Support customer use of materials outside the library; often referred to as "circulation"
- Checkout of materials
- Assisting customers with accounts
- Check-in of materials
- Return of materials to shelves (restocking)

## Changes in Capacity/Volume

|  | July-Sept. 2009 | July-Sept. 2010 | Change |
| :---: | :---: | :---: | :---: |
| Library <br> Hours/Week | 1537 | 678 | $\mathbf{- 5 5 . 8 \%}$ |
| Checkouts | $1,995,999$ | $1,542,569$ | $\mathbf{- 2 2 . 7 \%}$ |

## Reader's Advisory

- Helping customers of all ages find books of interest; examples include
- Helping a broad range of fiction readers connect to authors and titles;
- Helping a parent who needs a picture book for a preschooler who is coping with the loss of a pet

## Information Assistance

- A very broad range of assistance with finding information, including:
- Helping students find information related to homework
- Helping adults find information related to business, health, legal, or consumer decisions
- Helping customers of all ages find information to support personal interests/learning

## Changes in Capacity/Volume

|  | July-Sept. 2009 | July-Sept. 2010 | Change |
| :---: | :---: | :---: | :---: |
| Library <br> Hours/Week | 1537 | 678 | $\mathbf{- 5 5 . 8 \%}$ |
| Information <br> Requests | $1,453,566$ | $1,007,993$ | $\mathbf{- 3 0 . 6 6 \%}$ |

## Computer Assistance

- Relatively new to libraries (last 30 years)
- Includes a range of assistance to customers, including
- Help to reserve a computer
- Help with a Word document, Excel, etc.
- Help to print a document
- Help to set up an email address

## Changes in Capacity/Volume

|  | July-Sept. 2009 | July-Sept. 2010 | Change |
| :---: | :---: | :---: | :---: |
| Library <br> Hours/Week | 1537 | 678 | $\mathbf{- 5 5 . 8 \%}$ |
| Computer Use | 393.640 | 193,868 | $\mathbf{- 5 0 . 7 5 \%}$ |

## SERVICE DELIVERY

## Service Delivery

- Locations are our platform
- Service Points are our method of delivery
- Service Point: a public desk supported by team of staff delivering services

## Service Points

## Types of Locations

## 3 Service Points

## 2 Service Points

1 Service Point

- 20 total locations
-43 total service points
- Main and ImaginOn are outliers

## Service Point Variables

- Mix of services/staff depends on volume, type of demand
- Layout/size of branch drives staff, service points
- 1 Service Point location may have several staff delivering mix of 4 Basic Services
- 3 Service Point location has more capacity to meet demand

## Interactions at the Service Point

- Interactions are anything that takes staff time: may include reader's advisory, information assistance, computer assistance, or other

| Description | Number |
| :--- | :---: |
| Interactions 2010 | $\mathbf{4 , 8 7 6 , 0 9 0}$ |

Projected 2011 (33\% reduction)
Interactions $2011 \quad \mathbf{3 , 4 1 2 , 0 0 5}$

Interactions Per Staff
Member per year $\quad \mathbf{3 8 , 3 2 4 . 2 2}$
Interactions Per Staff
Member per hour
16.97

## 11

Charlotte Mecklenburg Library

## Staff Needed for Service Points

Description ..... Hours
Annual Hours of Operation
How many hours we're open annually, across 20 locations ..... 33,787
Annual Service Point Hours
How many staff hours are needed to cover 43 service points ..... 74,079

Staff (FTEs) needed to cover 43 Service Points with existing hours, in a 1-shift model: $\mathbf{8 9 . 0 3}$

## Circulation

- Circulation refers to items that need to be processed, including checkout of materials

| Description | Number |
| :--- | ---: |
| Circulation 2010 | $6,733,461$ |
| Projected 2011 (20\% | reduction) |
| Circulation 2011 | $5,386,768$ |
| In-House Use of |  |
| Materials | 962,854 |
| Hold Items Pulled from |  |
| Shelf | $1,177,847$ |
| Total | $\mathbf{7 , 5 2 7 , 4 7 0}$ |

## Staff Needed for Circulation

Description Hours
Staff Hours per Week ..... 43
Staff Hours Per Year ..... 2150
Staff volume per Hour ..... 30

Staff (FTEs) needed to meet projected circulation volume: 116.7

## Staff Needed for Processing

- For every person who is putting the item on the shelf, you need half a person to process it

Staff (FTEs) needed to process projected circulation volume: 58.35

## Total Staff Needed

Staff (FTEs) needed to cover 43 Service Points with existing hours, in a 1 -shift model: $\mathbf{8 9 . 0 3}$

Staff (FTEs) needed to meet projected circulation volume: 116.7

Staff (FTEs) needed to process projected circulation volume: 58.35

Total Staff (FTEs) needed to meet overall projected volume: 264.09

## FTE Deficit

Description FTEs
Total staff needed to meet overall projected volume ..... 264.09
Current staff ..... 223
FTE Deficit ..... (41.09)

At current staffing levels, we do not have enough staff to meet projected volume.

## Cost to Deliver Service

## Staff Costs

| Description | Cost | Description | Cost |  |
| :--- | ---: | :--- | ---: | ---: |
| Staff Costs | $\$ 13,125,371.26$ | Books | $\$ 1,738,559.00$ |  |
| Fringe Salary | $\$ 3,937,611.38$ | Programs | $\$ 187,231.00$ |  |
| Costs |  | Total Costs for <br> Total Costs for | $\mathbf{\$ 1 7 , 0 6 2 , 9 8 2 . 6 4}$ | Services |

Totals Cost of Services: \$18,988,772.64

## Presentation Recap

1. Library's 4 basic services
2. How Library delivers basic services
3. Costs of delivering basic services
